RE: CISA Case Number 2019-NPFO-00171

Dear Ms. Crose:

This letter is the final response to your Freedom of Information Act (FOIA) request to U.S. Department of Homeland Security (DHS), Cybersecurity & Infrastructure Security Agency (CISA) dated March 6, 2019. You have requested any material that US-CERT may be in possession of regarding cyber efforts on behalf of white nationalist organizations including The Daily Stormer against local, city, state, tribal governments; including any memos, digital recordings, and meeting logs on incidents that have been attributed to a white nationalist organization including The Daily Stormer (Date Range for Record Search: From 1/1/2015 To 3/28/2019).

CISA has conducted a search of the files within the CISA Cybersecurity Division for records responsive to your request. Unfortunately, we were unable to locate or identify any responsive records.

While an adequate search was conducted, you have the right to appeal this determination that no records exist within the listed offices that would be responsive to your request. Should you wish to do so, you may administratively appeal by writing to: Associate General Counsel (General Law), U.S. Department of Homeland Security, Washington, D.C. 20528, following the procedures outlined in the DHS regulations at 6 C.F.R. Part 5 § 5.8. Your envelope and letter should be marked "FOIA Appeal." You may also email to ogc@hq.dhs.gov. Your appeal must be postmarked or electronically transmitted within 90 days of the date of the response to your request. Copies of the FOIA and DHS regulations are available at www.dhs.gov/foia.

Provisions of FOIA allow DHS to charge for processing fees, up to \$25, unless you seek a waiver of fees. In this instance, because the cost is below the \$25 minimum, there is no charge.

You may contact the CISA FOIA Public Liaison at 703-235-2211 for any further assistance and to discuss any aspect of your request. Additionally, you have a right to seek dispute resolution services from the Office of Government Information Services (OGIS) which mediates disputes between FOIA requesters and Federal agencies as a non-exclusive alternative to litigation. If you are requesting access to your own records (which is considered a Privacy Act request), you should know that OGIS does not have the authority to handle requests made under the Privacy Act of 1974. You may contact OGIS as follows: Office of Government Information Services, National Archives and Records Administration, 8601 Adelphi Road-OGIS, College Park, Maryland 20740-6001, e-mail at ogis@nara.gov; telephone at 202-741-5770; toll free at 1-877-684-6448; or facsimile at 202-741-5769.

If you need to contact our office again about this matter, please refer to FOIA case number **2019-NPFO-00171**. This office can be reached at CISAFOIA@HQ.DHS.GOV or at 703-235-2211.

Sincerely,

A handwritten signature in black ink, appearing to read 'Angela Washington', followed by a stylized flourish.

Angela Washington
Acting, FOIA Officer
Cybersecurity & Infrastructure Security Agency
